

World Championships Committee 2017 Year End Report

As another World Championships has ended, we look forward to 2019.

This past year we had many hopefuls for the World Championships, but unfortunately we did not have a team materialize. As this is a very large event it takes a lot of commitment and time. Between filling out the application documents to arranging horses and transport, it all takes work.

As Chair of the committee, I would like to thank all of the committee members and volunteers of the Canadian Team for their continued work and dedication to sending riders to the World Championships.

The 2019 World Championships will be held in Berlin, Germany. There has been a lot interest for the team between riders and volunteers. We are very excited at the prospect of sending a team once again.

Every year we strive to do better, and we hope to achieve this over the next two years.

If you are interested in joining the committee or participating in the World Championships please do not hesitate to reach out to myself or a committee member. The more notice we have the more we can do to help you on your journey to the World Championships.

Applications will be sent to interested parties with strict deadlines.

Thank you,

Victoria Stoncius
